- Specchio da parete formato da un vetro dove si alternano fasce specchiate a fasce trasparenti. Le fasce trasparenti permettono di vedere la parete retrostante.
- Wall mirror made of a glass panel with alternating mirrored and transparent bands. The transparent bands allow to see the wall behind.
- Wandspiegel aus einem Glaspanel mit abwechselnden transparenten und verspiegelten Streifen. Die Rückwand ist durch die transparenten Streifen sichtbar.
- Miroir au mur réalisé avec une verre où il y a une alternance de bandes en miroir et transparent. Les bandes transparents permettent de voir le mur à l'arrière.
